This filing shall supplement our Form 99 filed on April 5, 2017, in response to your letter dated March 6, 2017.

Regarding our efforts to obtain missing information for contributors, written best efforts letters have been sent to the contributors requesting their full names; mailing address; occupation and name of employer. These written communications included a statement of Federal law regarding the collection and reporting of individual contributor identifications. The request and statement were clearly and conspicuously stated in the letters. The letters were sent within thirty (30) days of having received the contribution. Return email and fax information was included in the written request. We will update our reports with any missing information obtained as a result of our best efforts.

Always, thank you for the opportunity to provide this additional information. If you have any questions or require additional information, please contact Vincent DeVito at (617) 757-6500.
